

FANTASY FORMULA 1

Can **you** choose the winning 2024 Formula 1 Team?

Rules & Regulations

Driver 3:

Team:

Your team budget is £46m to buy 3 Drivers and 1 Team from the list below.

Your driver scores only when he is racing, and cars and drivers must be classified by the FIA as a finisher to score points. Substitute drivers count.

If your team selection packs up they are out of the championship; however the rest of your team can still score.

Team scores are for both cars in the team and there are also bonus points for fastest lap, hat-trick and fastest pit stop. Here's how it all works:
